

Probus Club of Hastings Point Tweed Coast

FEBRUARY 2019 EXTRA BULLETIN

★ **Reminder of the 2019 WELCOME BACK TO ALL MEMBERS**
This Wednesday 6th February - just 2 weeks before our first Probus meeting for 2019 we are meeting for Morning tea or light luncheon (at own expense) 11.30am, at Ripples, Hastings Point - seated inside the cafe in case of inclement weather.

★ Saturday 16th 2pm (Qld time) is the Tugun Theatre's "The Odd Couple". Contact Jean Watson if you wish to join her table.

★ At our next meeting (or email me prior), we are wanting to collect the details of at least 30 of our Probus members, who are wanting to join the Pottsville Beach Neighbourhood Centre's FREE "Be Connected" programme, with access to many of the Technology Centre's resources. If we have 30 members who complete the programme in the next few months, then our Probus group will qualify for a \$2,000 government grant - to be used as we see fit.

★ And don't forget SENIOR'S WEEK - Wednesday 13th February
to Sunday 24th February.

There is plenty of advertising in the local papers, so there is likely to be something of interest to you.

★ **Our first Probus General Meeting for 2019 is on February 19th.**

A final reminder -

AGM is in March
