Happy new year everyone!

I trust that you enjoyed your Christmas celebrations with friends and family and are now looking forward to an enjoyable 2021. The management committee is certainly planning for a return to business as usual but we must be aware that we are not out of the COVID-19 woods just yet. Recent events in Sydney and Brisbane are a reminder of that.

Jan is going to get the year started for us with a luncheon at the Pottsville Tavern. I hope to see you there.

While we wait for the all clear to return to our favourite venue and time slot at Tricare we will continue to hold our February and March general meetings at the Pottsville Community Hall using the same meeting format, followed by a guest speaker and then BYO lunch if you please. This is not perfect but works well enough.

Should there be a change to our current plan Di will let you know ASAP.

In the meantime, and on behalf of
the management committee, I
wish you all the best for a healthy
and enjoyable 2021.

Tony Cosgrove
President

Our first Probud outing will be lunch at the Pottsville Tavern 12 noon, on

DOs and DON'Ts of WEARING A MASK

Globally covid 19 remains a life-threatening disease. It is easy to become complacent, so please continue **social distancing, hand washing**, and appropriately **wearing masks** - be sure to cover your chin, nose **and** mouth.

Forget the COVID blues and get back to Jazz'n'Blues as the **Condong Bowls Club** bursts back into life on **Friday 29th January** at 6.30pm.

Members \$15, Visitors \$20. **Bookings recommended – phone the Bowlo on (02) 6672 2238**

There are still a few restrictions to comply with, such as a maximum of 100 members and guests, and the need to sign in at the Bowlo front door before making your way into the Club room. But if you download the 'NSW Services' App onto your mobile phone, you can 'zap' the logo at the door and walk in with a nonchalant smile.

Trombone Kellie and her accomplices will provide great music.

If any Probus member is interested in playing Canasta on Friday mornings, contact Di Mills for more information.
